

Community Development

Our Community Development Project works with community members and other local groups and services to provide activities, groups and courses that create opportunities for learning, self " development, for being involved in something you enjoy, meeting new people and developing friendships.

Staff are at hand for information and referral. We will listen to you and try to help you find services and groups that you are looking for. You can call 4571 3748 or 4571 1909 or e-mail nrcc@northrichmond.org.au or manager@northrichmond.org.au, or you can drop in and speak to someone at the centre.

We also organise activities to celebrate International Women's Day, Neighbourhood Centre Week and other events.
